For sake of room, judge, and double-entry allocation, the Speech tournament is divided into two Patterns (A and B). Please note well: follow the schedule, as we will flip the sequence of Pattern A and B events to best meet the needs of time. For reference:

IE Pattern A (DX, FX, Duo, Imp, Storytelling)

IE Pattern B (OO, HI, DI, Poetry, Prose)

Judges are to follow their Judge Cards for Ballot Pickup. In order to expedite the tournament, we will release 30 minutes before each round; should a judge not pick up a ballot, we will substitute and fine.

Onsite Hot Numbers:

Tournament Director: B.A. Gregg, 504.303.0380

Debate Tab: Bill Wonneberger, 540.421.0337

Speech Tab: Mark Ingerson, 540-915-0604

Congress Tab: Arch Painter,

Financial Issues: Martha Lee, 571.277.8928

All postings will occur in Student GA, Judge Lounge, and outside Tab (in that order). *Students marked with an * are double-flighted and will arrive late or ask to speak early and get them to their next round. Allow them.* Under NO circumstances are judges to leave if a student is late. This is a very complex tournament and students will be literally running for 17 hours. You must call Tab if you have a late competitor. Also, judges may not disqualify students in the round. Any questions should be brought to the attention of the Ombudsman, Jason Warren (Fri) or Donald Hitt (Sat.). When in doubt, call the appropriate number. **Call the Tournament Director as a last resort.**
